Friendly Letter

This week I would like you to create a friendly letter. We have learned how to work on Microsoft Word to create a document in class, now we will use what we have learned to create a friendly letter from home. You may use Microsoft Word or google documents, whichever is easier to access. \*\*If you are having trouble with technology, you can handwrite the letter on a piece of paper and then take a picture of it to e-mail to me.

- Create a word document
- Write a friendly letter to Mrs. Sullivan
- Be sure to include all 5 parts of a friendly letter: Heading, Greeting, Body, Closing, & Signature 
- Explain how you are doing at home, what do your daily activities look like now that you are at home?
- Feel free to ask me questions as well 
- Be creative while practicing to use the tools on the home screen. (Ex: fonts, color, shadows, adding pictures, etc.)
- When you are finished, you will e-mail it to me. ([Lynda.sullivan@imagineschools.org](mailto:Lynda.sullivan@imagineschools.org)) or submit it on the Weebly Website.
- I will enjoy hearing from you 
- Any questions, please be sure to let me know
