Practice or set-list for a few minutes every day. Contact me if you need to borrow an instrument.

It is time to work on writing an original piece of music. It does not need words, but you may write lyrics. The song does need three parts: Verse, chorus and a bridge. Send me those videos and check in by Thursday for credit this week.

The song does not have to be perfect. I just need to see that you are practicing and creating. Please contact me for any help.
